CHRISTOPHE PRALONG

Christophe Pralong. Graduated HEC 1980, former President of the “Comité des étudiants”, had a vision:

“The world would be a better place for all, if each of us contributed to its development by bringing his knowledge and a little bit of himself (or herself).”

And thus Christophe left in the ‘80s for Niger to work for a United Nations Programme. Life did not leave him time to carry out his dreams but the Prix founded in 2007 to honour his memory perpetuates his vision of a more equitable and better world.
